

REFLECTIONS

AWAKEN THE IMAGINATION, SHED LIGHT ON THE POSSIBILITIES

Reflections' portable light-wall backlit display system brings your marketing message to life with simple brilliance. Let Reflections' large format backlit graphics work for you to draw prospects in and leave them with a lasting impression of your company.

Dramatic impact Never underestimate the power of light. Back-lighting a large graphic takes your visual impact to a whole new level.

Modular Reflections' light box comes in a variety of sizes that can be used together for creative lightwall designs or independently in island set-ups, lobbies or hospitality suites.

Durable The box is constructed from our patented folding panel system with a 360° internal hinge, guaranteed for the life of the exhibit.
