BRILLIANCE
MADE SIMPLE

Reflections... Brilliance Made Simple.

Reflect your image long after your marketing event is over with a Reflections portable lightwall exhibit. Reflections large format, backlit display lets your marketing message come alive, drawing prospects to your booth and leaving them with a lasting impression of your company.

There has never been an easier way to get attention. Reflections is as easy as 1-2-3. Stack the folding panels to create the box shape, attach the lights, and add your stunning backlit graphic. In the competitive arena of trade shows, there has never been a better opportunity to stand out on the show floor.

Spring loaded connectors for easy assembly

Reflective interior creates brilliant white light

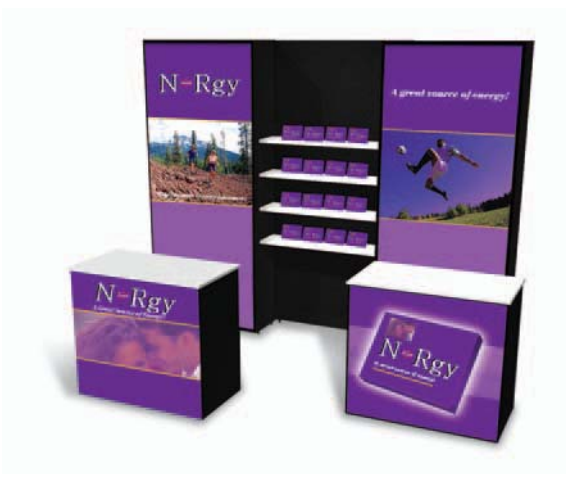

Roll-up graphic attaches simply with magnet

Packing options include wood crates, plastic tubs, or rolling cases to suit your needs

Brilliance Made Simple. It's so easy you have to see it to believe it! No heavy parts or clunky extrusions to assemble.

Dramatic Impact. Backlighting a large graphic takes your visual impact to a whole new level.

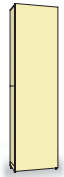

Modular. The Reflections light box comes in a variety of sizes that can be used together for creative lightwall designs or independently in island set-ups, lobbies or hospitality suites.

Durable. The box is constructed from our patented folding panel system with a 360° internal hinge, which is guaranteed for the life of the exhibit.

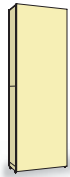

Another Bright Idea from The Portables.

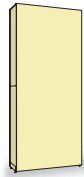

Be Seen, be remembered. In an endless row of common displays, this backlit exhibit system shines above the rest. Leave a lasting Reflection of your company long after the marketing event.
