STANDUP is a unique portable literature stand that goes wherever you go.

STANDUP unfolds in seconds with a single movement and locks itself into place. You can place your literature in six angled shelves, three on the front and three on the back for maximum exposure.

Packed neatly in a rugged aluminum case, **STANDUP** can be taken to trade shows, conventions, malls, meetings and more – quickly and easily.

TALL & STURDY

Stands 56" high for exposure from all direction
