

SETUP INSTRUCTIONS

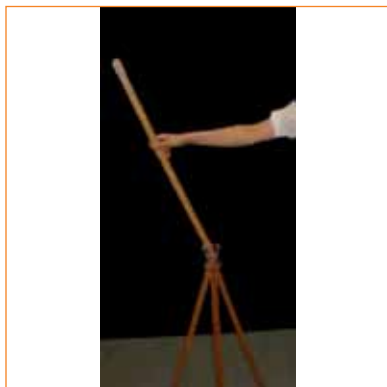

STEP 1 - GET SOME HEIGHT

Expand frame by pivoting bottom legs in centre hub.

STEP 2 - THREE'S A CROWD (but you need them)

Insert Bambu leg into angled channel on rear of centre hub.

STEP 3 - THROW YOUR HANDS UP

Insert first Bambu upper arm into channel on top of centre hub. Ensure that hook on the end connector faces the front.

STEP 4 - OPEN WIDE

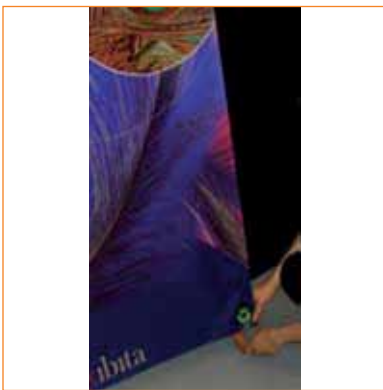

Repeat to install second Bambu arm.

SETUP INSTRUCTIONS

STEP 5 - HANG ON TO THE TOP

Attach banner by inserting hooks on end connectors into grommets at each corner of the banner. Start at the top.

STEP 6 - DROP DOWN BELOW

Gently flex frame to hook the bottom grommets at each corner to the hooks.
