

# SETUP INSTRUCTIONS

## STEP 1 - GETTING STARTED

Open the front legs and make them as wide as the banner.

## STEP 2 - IT'S ALL IN THE HUB

Loosen the front and rear bolts on the centre hub, then insert the folding upper poles.

## STEP 3 - LINE IT UP

When hanging the banner, start at the top, then move to the bottom.

## STEP 4 - WATER TANK (IF YOU NEED SOME HEFT)

Insert turnbuckle attachment into watertank and hook it up to the hub. Tighten accordingly.
