

1

1

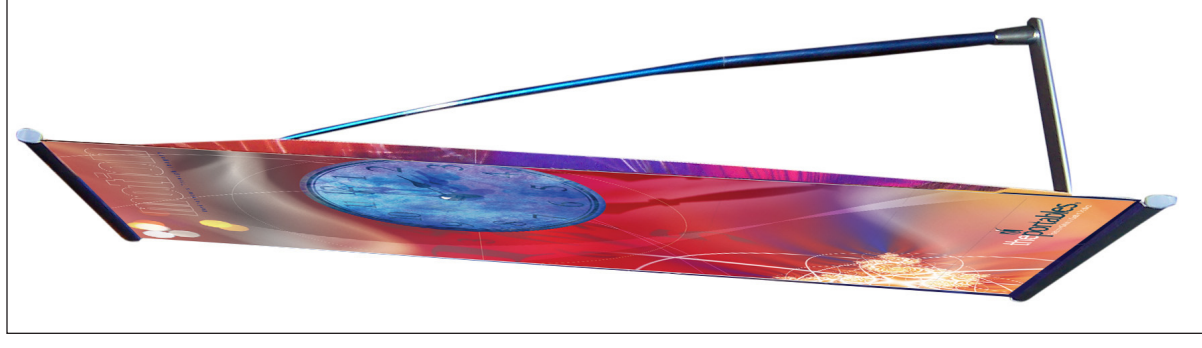

(1) Remove Banner, Foot, and Tapered Pole from Storage Bag.

2

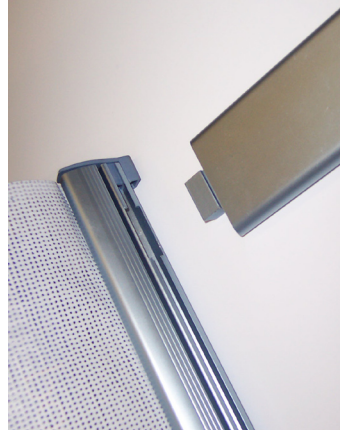

(2) Tapered Pole segments are connected by an internal tension cord. To assemble, connect segments end-to-end.

7

3

(3-4) Insert end tab on Foot into enlarged cutout on bottom Banner Support Rail. Slide foot along slot until it seats at center of rail.

4

5

(5) Insert base of Tapered Pole into sleeve on Foot.

6

(6) Insert tip of Tapered Pole into connector on top Banner Support Rail.

(7) Completed Brief Banner should appear as shown.
