AD-1 Automatic Displays

A self-standing, automatic POP Trade Show Display Banner

Introducing the innovative and all new AD-1 series of banner stands from Automatic Displays. Built with convenience and ease of use in mind, the AD-1 stands out from the crowd with no loose parts to worry about.

Setting up instantaneously with its unique pop-up design, the AD-1 is the choice replacement for trade-show, mobile marketing and point-of-purchase banner stands.

- Sets up in seconds
- Reduced shipping costs
- Customized die cutting
- Eco-Friendly Design
- Double Sided Visual
- Light Weight & Compact
- No Loose Parts
- Carry-on Friendly

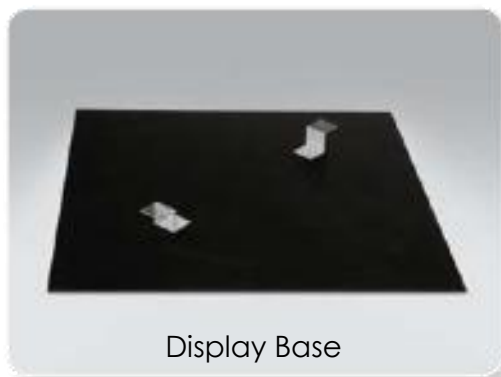

AD-1 Series

| Sizes | Measurements |
|-------------|------------------|
| Large | 60" by 20.5" |
| Tall | 72.25" by 20.5" |
| Extra Large | 72.25" by 24.75" |

AD-1 Accessories

Add greater stability to an AD-1 display product with a 16" x 16" AD-1 Base unit. Available in eight stock colours, the 16" x 16" Sintra base features moisture resistance, and is well suited for displays placed in high traffic areas. Ships with two fastening clips.

Display Base

Credit card - 3 7/8" x 2" x 1 1/8"

Need to showcase marketing collateral? AD-1 Holders easily clip onto displays and wraps to carry business cards, sell sheets and brochure holders. Made from a durable, clear plastic, AD-1 Holders are perfect for POP, trade shows and events.

Brochure - 4 3/8" x 6 1/2" x 1 1/8"

Sell Sheet - 8 1/2" x 12" x 1 1/8"
