

# BANNER STAND SETUP GUIDE

## BAMBOO BANNER SETUP

Assembled Bamboo Banner

- Bamboo Banner Parts:
- (1x) Expandable bamboo frame with plastic center hub
  - (2x) Bamboo arms with hooks
  - (1x) Bamboo leg
  - (1x) Banner with corner grommets

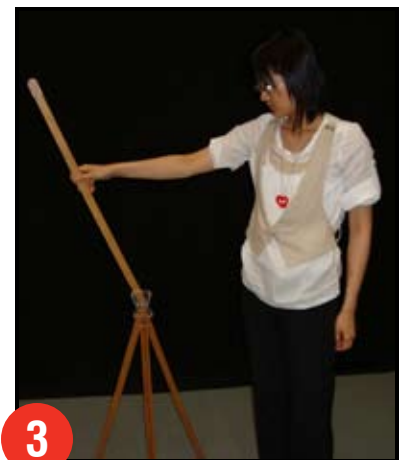

1

Expand frame by pivoting bottom arms in center hub.

2

Insert bamboo leg into angled channel on backside of center hub.

3

Insert first bamboo upper arm into channel on top of center hub with hook on end connector facing forward.

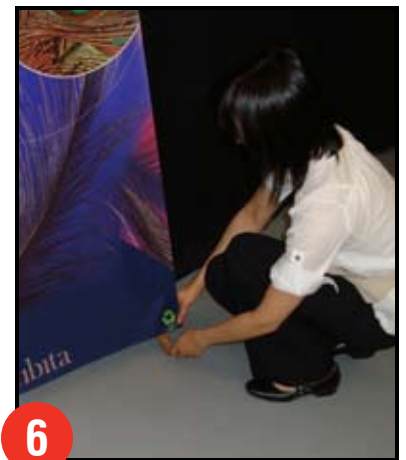

4

Repeat to install second bamboo upper arm.

5

Affix banner by inserting corner grommets over plastic hooks on bamboo arm end connectors.

6

Gently flex frame to hook remaining grommets over end connectors.
