

TENSION FABRIC INSTRUCTIONS

CAPTION PODIUM SETUP

Caption Podium components are illustrated at left. These include:

- Podium Top
- Fabric Cover
- Mid Shelf
- (4x) Legs
- Crossbar
- (4x) Bolts
- Allen Key

Begin by connecting legs to podium top. Matching numbered joints, insert legs over spigots on underside of top. Engage snap button connectors to secure.

Repeat to install remaining legs.

Position crossbar inside legs as shown. Secure using four bolts and Allen key provided.

To apply cover, carefully stretch over frame as shown. Adjust so that tips of legs are seated in bottom corner pockets of cover.

TENSION FABRIC INSTRUCTIONS

CAPTION PODIUM SETUP

Gently tug cover up over frame, adjusting so front graphic is properly centered and cover is smooth and taut.

Secure cover at top by Velcroing cover to inside of podium top.

Insert mid shelf through opening in cover and place over crossbar so that radiused corners seat inside frame legs.

Completed Caption Podium should appear as shown at left.
