**Maxibit** | **Solo**

Canada's largest source for portable marketing solutions )

## Make an impression. Anywhere.

**Solo. The ultimate traveling show.** Stand out in any crowd with the Solo Portable Banner Stand. Solo is expressly designed to make a big impression at a very small price. It achieves a world-first in combining affordability, durability and sheer quality.

**Hardworking features without frills.** Solo is guaranteed to grab people's attention, without grabbing too much of your budget. Unlike other portable stands on the market, Solo is purpose-built to work simply, cost-effectively and reliably for anyone, anytime, anywhere.

**High, wide, handsome and handy.** Solo allows you to express yourself with high-impact messages at any height between 35 and 92 inches. You also have a choice of two eye-catching widths, and can use a wide range of easily rolled-up display banners.

**High-traffic impact. High-speed assembly.** Solo is a strong and stable, yet lightweight 3-piece system that takes less than two minutes to assemble. And it will carry a visual display on both sides, giving you double the impact and value! When the show is over, Solo simply folds down and fits into a handy carrying case, along with your rolled-up display banners. Powerful, portable and professional, Solo literally stands alone.
