

BRIEF MESH LITERATURE STAND SET UP INSTRUCTIONS

Part Number: 5808

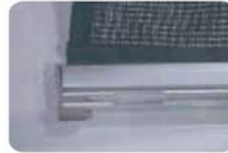

Lay out the Mesh and ensure you have all the parts as illustrated.
 • Foot • Mesh • Tapered Pole

1. 2.

The Tapered Pole is connected by an internal tension strap. To assemble it, insert the poles end to end as shown.

Locate the Foot Slot (larger cutout) on the bottom bar. Insert the foot tab through this slot and slide the foot into the bottom bar.

3. 4.

Slide the foot all the way to the centre of the bottom bar. Insert the Tapered Pole into the Foot Hole as shown

Finished view with Foot and Tapered Pole in proper position.

5. 6.

Detail of Bar Cap:
 Insert the thin end of the Tapered Pole into the plastic receptacle on the Top Bar.

Once all the parts have been assembled, lift up mesh by the top rail and, bending the Tapered Pole forward, insert it into the Bar Cap on the top rail. Step on the foot to help steady the stand whilst assembling.
