Marketing Solutions - Custom Graphics

Wallpaper Graphics

- Wallpaper with amazing colour intensity
- Wallpaper is printed with water-based inks on bio-degradable material
- Installation and dismantle services provided

Floor Graphics

Before

After

- Adhesive floor or sidewalk graphics designed for durability in high-traffic areas
- Anti-slip design and can be applied on most floor surfaces

Marketing Solutions - Custom Graphics

Backlit Wall Panels

- Lightweight and lustrous
- Backlit LED panel enhances corporate image with its energy-efficient design while maintaining a thickness of less than 2"
- Easy wall-mounting system allows the panels to be incorporated into wall space, while reducing installation costs

Window Graphics

- Maximize your branding space using existing window structures
- Window graphics can be cut in any shape to reinforce your message
- Installation and dismantle services provided

Elevator Graphics

- Jazz up or add colour to elevator doors
- Ideal for malls, office buildings and convention halls
