COMMUNICATING YOUR MESSAGE WITH A BALANCE OF STRUCTURE AND GRAPHICS

The Portables first opened its doors in 1979 and today, with 90 employees and 11 offices across Canada, we are well suited to address your exhibiting needs. The Portables has a unique line of well designed exhibit structures to house your eye-catching graphics. As Canada's only display company with full graphic and printing departments, we can handle all aspects of your display requirements.

All of The Portables' products are backed with a lifetime guarantee against manufacturers' defects. If your display should ever require servicing, we will be happy to do so at no additional charge. The Portables stands behind all of its products. Rest assured that when you buy one of our products, you will receive the highest quality product and the best level of service in North America. Guaranteed.

To learn more about The Portables, please visit our website at www.theportables.com, call our 24/7 Toll Free Client Support Line at **1.800.663.1737** or send us an email at displays@theportables.com. The resource section of our website has a host of technical and educational materials at your fingertips. You can download instruction manuals, technical artwork guidelines, product sheets as well as a variety of exhibit related tips and articles.

Your Exhibit Consultant can also provide more detailed information on our Custom Exhibits or Graphic Products or you can simply download either catalog from our website at http://www.theportables.com/resource_centre/brochures.htm.
